MSG Factory for Ready-mix concrete is characterized by its ability to provide services to contractors in various construction work and at all times relying on an experienced , highly qualified and efficient team as well as its commitment to provide products with the highest quality and production criteria.

*There are different types of design mix that we manufacture
Vary from one client to another: on request, but the most important*

- ▶ **Reinforced concrete – 250**
- ▶ **Reinforced concrete – 300**
- ▶ **Reinforced concrete – 350**
- ▶ **Reinforced concrete – 400**

Based on the remarkable evolution of our organization, we want to deepen our roots in the field of construction and its basics.

The idea of establishing a crusher in the area of Al-Hammad that is rich of the black basalt stone, which is considered absolutely the best in the production of the block and precast concrete and asphalt.

- ▶ **3/8 AGGREGATE**
- ▶ **3/16 AGGREGATE**
- ▶ **1/2 AGGREGATE**
- ▶ **3/4 AGGREGATE**

MSG proud that we are the first factory in over twenty years in the manufacture of automatic block in Turaif , and dealing with large local and international companies made us more and more proud, including:
